Dear Renee:

I wanted to thank you just one more time for the terrific party we had at Andre's on Saturday, September 25, 1999.

I've been planning these functions for the past 15 years from New York to Los Angeles and never before worked with anyone as professional as you are.

You made everything so easy. The food was fantastic, the service outstanding and the room so comfortable and beautiful.

I promise you that we will be back!

Sincerely,

Cynthia Shapiro
