

Helen Siler

To all of you at Andre's. Thank you for the most memorable evening of my life! The Food, the Wine, the service, the Ambience - all were impeccable. (Plus, there was so much fun and joy!) Here are a few (2) photos that we wanted to send. Hank was wonderful to us even though he almost told about the surprise. My gift from him (Carte des vins), more than made up for that!

Again; thank you^{all} for being the kind of people who take pride in your efforts. Andre's is classy and excellent without being stuffy or pompous. We can't wait to come back!! Affectionately,
Helen Siler
