

***Creating the Path***  
***A Story of Labyrinth-Building***

A Video Project of the  
The Labyrinth Society

**Criteria**

We hope many programs are submitted for inclusion in the video. The criteria below will be used to make the ultimate choices of two projects in each category:

1. There are five categories: schools, churches, hospitals/hospices, public spaces (parks, office buildings), prisons.
2. The decision-maker or program director must be available not only for an initial interview on the phone, but be willing to participate in an on-screen interview. This person should be very verbal and excited about the project.
3. The most important criterion will be the story itself.
4. We must be able to tape end-users of the labyrinth (except in the case of prisons).
5. The programs chosen will be from around North America (not all in the northeast for example). They will also represent a variety of builders and designs.

**Schedule**

1. Deadline for submissions – May 15, 2008
2. May 16 through May 31 – The applications will be reviewed by the committee and three to five projects in each category will be chosen for interviews.
3. June 1 through August 31 – The final projects will be chosen and filming will take place.
4. September 1 through October 31 -- editing

**Project Funding**

The Labyrinth Society has raised more than \$16,000 to date for this project. We still need additional funds to ensure that the money is there for duplication, but we are also now seeking airline miles for travel to the various locations and hoping for spaghetti dinners and a bunk bed for the videographer and interviewer when the filming begins.

For more information, please contact Gael Hancock, video project chairman, 702.614.5320 or 702.523.3911; [labyrinths@cox.net](mailto:labyrinths@cox.net).
