

The Labyrinth Society

January 2008

Dear TLS Member,

As a member of The Labyrinth Society, you have used some of the programs and experienced some of the services the society offers to members. On behalf of the Board, we sincerely thank you for your support as a member. Now we're excited to invite you to take a leading role in shaping the future of TLS by sharing your ideas and helping us grow our vision.

TLS is poised to take our mission to a new level of worldwide labyrinth engagement and truly make our Vision a reality. In our recent decision to move forward with strategic planning, the Board recognized that we needed broad member representation on the team. We're seeking 2-3 members who want to imagine and plan our future direction.

Will you consider volunteering to join 6-7 other committed members on our Strategic Planning team? This is your chance to become more involved and to make a difference.

The Strategic Planning Team will conduct its work via the web and teleconferences. Through the spring, they will gather information and generate ideas. By summer and early fall, they will formulate recommendations and present them to the Board at or before the 2008 Gathering in November.

For more information, please contact me, the TLS Board Secretary, at secretary@labyrinthociety.org. I will answer your questions and send a description of what TLS needs from team members, as well as the outline of the preliminary process.

Our sincere thanks for giving this request your serious consideration.

Warm regards,

Harriette Royer,
Secretary
